

## April 2024 – KACO GmbH + Co. KG at the Battery Show Europe 2024

Once again, KACO will take part in the Battery Show Europe 2024 in Stuttgart. From June 18-20, we can take the opportunity to present our latest developments and innovations.

The Battery Show Europe in Stuttgart is Europe's leading trade fair for advanced battery manufacturing and technology. With more than 770 expected exhibitors, the Battery Show offers a place for all your contacts in the supply chain – from raw materials to battery recycling.

KACO will present its latest solutions within the well-known battery architecture for battery packs, battery modules and battery cells, as well as e-mobility solutions. We will also be presenting our latest battery venting system for the first time at the Battery Show 2024.

We invite you to visit us in **Hall 8 Booth D86** and have interesting discussions with our experts about the latest innovations in battery technology.
