The Grand Opening

The festivities were held not only to honor the anniversary, but also to celebrate the grand opening of newly constructed buildings. The site in Wuxi is 82,500 m² and the production facility is 24,000 m². The grand opening ceremony began with a Chinese Drum Show and speeches from Mr. Ma and Mr. Ongherth. This was followed by a Chinese opera styled performance and speeches from Mr. Cao and Mr. Xia, as well as a customer representative. During the traditional Dragon Dance, Mr. Ongherth and Mr. Xia were given the honor of painting the lion. And then it was time for the official opening of the new building and a tour of the production facilities. The afternoon then kicked off with a speech from Mr. Schwerdtfeger followed by a musical intermezzo featuring a violin as well as a performance of the Chinese Monkey. Finally, songs were sung and all enjoyed a fine feast before the eventful day came to a close.

“It was a wonderful celebration with many traditional program highlights. We were able to collect so many impressions and are very much looking forward to our work together in the future. Once again, we congratulate Wuxi from the heart and wish them all the best and continued success.”, says Mr. Schwerdtfeger.
